GREEN DEVELOPMENT AND INVESTMENT SERVICE JOINT STOCK COMPANY

STATEMENT OF THE BOARD OF MANAGEMENT

Statement of Responsibility of the Board of Management of the Company in respect of the Financial Statements

The Board of Management of Green Development and Investment Service Joint Stock Company ("the Company") is responsible for preparing the financial statements which give a true and fair view of the financial position of the Company as at 31 December 2024, and of its financial performance and its cash flows for the year then ended. In preparing these financial statements, the Board of Management is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on a going-concern basis unless it is inappropriate to presume that the Company will continue in business.

The Board of Management is responsible for ensuring that proper accounting records are kept which disclose, with reasonable accuracy at any time, the financial position of the Company and enable financial statements to be prepared which comply with the basis of accounting set out in Note 2 to the financial statements. The Board of Management is also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud or error.

Approval of the Financial Statements

We hereby, approve the accompanying financial statements as set out on pages 5 to 34 which give a true and fair view of the financial position of the Company as at 31 December 2024, and of its financial performance and its cash flows for the year then ended in accordance with Vietnamese Accounting Standards, the Vietnamese Corporate Accounting System and applicable regulations on the preparation and presentation of the financial statements.

On behalf of the Board of Management,

Dong Trung Hai
General Director/Legal Representative

Hai Phong, SR Vietnam

**INDEPENDENT AUDITOR'S REPORT
TO THE SHAREHOLDERS OF GREEN DEVELOPMENT AND INVESTMENT SERVICE JOINT
STOCK COMPANY**

We have audited the accompanying financial statements of Green Development and Investment Service Joint Stock Company ("the Company") which were prepared on 31 December 2024 and approved by the Board of Management of the Company on 18 February 2025. The financial statements comprise the balance sheet as at 31 December 2024, the income statement, the cash flow statement for the year then ended, and explanatory notes to the financial statements including significant accounting policies, as set out on pages 5 to 34.

The Board of Management's Responsibility

The Board of Management of the Company is responsible for the preparation and the true and fair presentation of these financial statements of the Company in accordance with Vietnamese Accounting Standards, the Vietnamese Corporate Accounting System and applicable regulations on the preparation and presentation of financial statements, and for such internal control which the Board of Management determines is necessary to enable the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with Vietnamese Standards on Auditing. Those standards require that we comply with ethical standards and requirements and plan and perform the audit in order to obtain reasonable assurance as to whether the financial statements of the Company are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including an assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and true and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Auditor's Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as at 31 December 2024, its financial performance and its cash flows for the year then ended in accordance with Vietnamese Accounting Standards, the Vietnamese Corporate Accounting System and applicable regulations on the preparation and presentation of financial statements.

Other Matter

The independent auditor's report is prepared in Vietnamese and English. Should there be any conflict between the Vietnamese and English versions, the Vietnamese version shall take precedence.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024

1 GENERAL INFORMATION

Green Development and Investment Service Joint Stock Company ("the Company") is a joint stock company established in SR Vietnam pursuant to the Enterprise Registration Certificate No. 0201768923 dated 24 January 2017 issued by the Hai Phong Department of Planning and Investment. The latest amendment (3rd) to the Enterprise Registration Certificate was issued on 1 December 2020.

The Company obtained the Investment Registration Certificate No. 8585663882 dated 18 February 2022 issued by the Hai Phong Industrial Zone Authority for a period of 35 years from the date of the Investment Registration Certificate.

The Company's shares are listed on Hanoi Stock Exchange with the stock trading code GIC.

The principal activities of the Company include warehousing and storage of goods, maintenance, repair, and cleaning of containers.

The normal business cycle of the Company is 12 months.

As at 31 December 2024 the Company had 124 employees (as at 31 December 2023: 127 employees).

Comparative figures presented in the financial statements for the year ended 31 December 2024 are those of the audited financial statements for the year ended 31 December 2023.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation of the financial statements

The financial statements have been prepared in accordance with Vietnamese Accounting Standards, the Vietnamese Corporate Accounting System and applicable regulations on the preparation and presentation of financial statements. The financial statements have been prepared under the historical cost convention.

The accompanying financial statements are not intended to present the financial position and results of operations and cash flows in accordance with accounting principles and practices generally accepted in countries and jurisdictions other than Vietnam. The accounting principles and practices utilised in Vietnam may differ from those generally accepted in countries and jurisdictions other than Vietnam.

The financial statements in the Vietnamese language are the official statutory financial statements of the Company. The financial statements in the English language have been translated from the Vietnamese version.

2.2 Financial year

The financial year of the Company is from 1 January to 31 December.

2.3 Currency

The financial statements are measured and presented in Vietnamese Dong ("VND"), which is the Company's accounting currency.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.4 Exchange rates

Transactions arising in foreign currencies are translated at exchange rates prevailing at the transaction dates. Foreign exchange differences arising from these transactions are recognised in the income statement.

Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are respectively translated at the buying and selling exchange rates at the balance sheet date of the commercial banks with which the Company regularly transacts. Foreign currencies deposited in banks at the balance sheet date are translated at the buying exchange rate of the commercial banks where the Company opens its foreign currency accounts. Foreign exchange differences arising from these translations are recognised in the income statement.

2.5 Cash and cash equivalents

Cash and cash equivalents comprise cash on hand, cash at banks, cash in transit and other short-term investments with an original maturity of three months or less.

2.6 Receivables

Receivables represent trade receivables from customers arising from rendering of services or non-trade receivables from others and are stated at cost. Provision for doubtful debts is made for each outstanding amount based on overdue days in payment according to the initial payment commitment (exclusive of the payment rescheduling between parties) or based on the estimated loss that may arise. The difference between the provision of this year and the provision of the previous year is recognised as an increase or decrease of general and administration expenses in the year. Bad debts are written off when identified as uncollectible.

Receivables are classified into short-term and long-term receivables on the balance sheet based on the remaining period from the balance sheet date to the maturity date.

2.7 Inventories

Inventories are stated at the lower of cost and net realisable value. Cost is determined by the weighted average method and includes all costs of purchase, costs of conversion and other directly-related costs incurred in bringing the inventories to their present location and condition. In the case of manufactured products, cost includes all direct expenditure and production overheads based on normal levels of operating activity. Net realisable value is the estimated selling price in the normal course of business, less the estimated costs of completion and selling expenses.

The Company applies the perpetual system for inventories.

Provision is made, when necessary, for obsolete, slow-moving and defective inventory items. The difference between the provision of this year and the provision of the previous year is recognised as an increase or decrease of cost of goods sold in the year.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024**2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)****2.8 Investments****(a) Investments in other entities**

Investments in other entities are investments in equity instruments of other entities without controlling rights or co-controlling rights, or without significant influence over the investee. These investments are accounted for initially at cost. Subsequently, the Board of Management reviews all outstanding investments to determine the amount of provision to recognise at the year end.

(b) Provision for investments in other entities

Provision for investments in subsidiaries, associates and joint ventures, and other entities is made when there is a diminution in value of the investments at the year end.

Provision for investments in other entities is calculated based on market value if market value can be determined reliably. If market value cannot be determined reliably, the provision is calculated based on the loss of investees.

Changes in the provision balance during the financial year are recorded as an increase or decrease in financial expenses. A reversal, if any, is made only to the extent the investment is restored to its original cost.

2.9 Lendings

Lendings are lendings granted for the earning interest under agreements among parties but not for being traded as securities.

Lendings are initially recognised at cost. Subsequently, the Board of Management reviews all outstanding amounts to determine the amount of provision to recognise at the year end. Provision for doubtful lendings is made for each lending based on overdue days in payment of principals according to the initial payment commitment (exclusive of the payment rescheduling between parties) or based on the estimated loss that may arise. Changes in the provision balance during the financial year are recorded as an increase or decrease in financial expenses. A reversal, if any, is made only to the extent the investment is restored to its original cost.

Lendings are classified into short-term and long-term lendings on the balance sheet based on the remaining term of the lendings as at the balance sheet date.

2.10 Fixed assets*Tangible and intangible fixed assets*

Fixed assets are stated at historical cost less accumulated depreciation or amortisation. Historical cost includes any expenditure that is directly attributable to the acquisition of the fixed assets bringing them to suitable conditions for their intended use. Expenditure which is incurred subsequently and has resulted in an increase in the future economic benefits expected to be obtained from the use of fixed assets, can be capitalised as an additional historical cost. Otherwise, such expenditure is charged to the income statement when incurred in the year.

2.10 Fixed assets (continued)

Tangible and intangible fixed assets (continued)

Land use rights comprise of land use rights granted by the State for which land use fees are collected, land use rights acquired in a legitimate transfer, and prepaid land use rights obtained under land rental contracts which are effective before the effective date of land law 2003 (ie. 1 July 2004) and which land use right certificates are granted.

Definite land use rights are stated at costs less accumulated amortisation. Costs of land use rights consists of the purchased prices and any directly attributable costs in obtaining the land use rights. Land use rights are amortised using the straight-line basis over the terms of the land use right certificates.

Indefinite land use rights are stated at costs and not amortised.

Depreciation and amortisation

Fixed assets are depreciated and amortised using the straight-line basis so as to write off the depreciable amount of the asset over their estimated useful lives. Depreciable amount equals to the historical cost of fixed assets recorded in the financial statements minus (-) the estimated disposal value of such assets. The estimated useful lives of each asset class are as follows:

Buildings and structures	5 – 25 years
Machinery and equipment	3 – 10 years
Motor vehicles	3 – 10 years
Office equipment	4 – 5 years
Computer software	3 years

Disposal

Gains or losses on disposals are determined by comparing net disposal proceeds with the carrying amount of the fixed assets and are recognised as income or expense in the income statement.

Construction in progress

Construction in progress represents the cost of assets in the course of installation or construction for production, rental or administrative purposes, or for purposes not yet determined, which are recorded at cost and are comprised of such necessary costs to construct, repair and maintain, upgrade, renew or equip the projects with technologies as construction costs; costs of tools and equipment; compensation and resettlement costs; project management expenditure; construction consulting expenditure; and capitalised borrowing costs for qualifying in accordance with the Company's accounting policies. Depreciation of these assets, on the same basis as other fixed assets, commences when they are ready for their intended use.

2.11 Leased assets

Leases where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases are charged to the income statement on a straight-line basis over the term of the lease.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024**2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)****2.12 Prepaid expenses**

Prepaid expenses include short-term and long-term prepayments on the balance sheet. Short-term prepaid expenses represent prepayments for services; or tools that do not meet the recognition criteria for fixed assets for a period not exceeding 12 months or one business cycle from the date of prepayment. Long-term prepaid expenses represent prepayments for services; or tools, which do not meet the recognition criteria for fixed assets for a period exceeding 12 months or more than one business cycle from the date of prepayment. Prepaid expenses are recorded at historical cost and allocated on a straight-line basis over their estimated useful lives.

Prepayments for land rental contracts which are effective after the effective date of the land law 2003 (ie. 1 July 2004) or which land use right certificates are not granted are recorded as prepaid expenses and allocated using the straight-line method over the prepaid lease term.

2.13 Payables

Classifications of payables are based on their nature as follows:

- Trade accounts payable are trade payables arising from purchases of goods and services; and
- Other payables including non-trade payables and payables not relating to purchase of goods and services.

Payables are classified into short-term and long-term payables on the balance sheet based on the remaining period from balance sheet date to the maturity date.

2.14 Accrued expenses

Accrued expenses include liabilities for goods and services received in the year but not yet paid for, due to pending invoices or insufficient records and documents. Accrued expenses are recorded as expenses in the reporting year.

2.15 Provisions

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount has been reliably estimated. Provision is not recognised for future operating losses.

Provisions are measured at the level of the expenditures expected to be required to settle the obligations. If the time value of money is material, provision will be measured at the present value using a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the obligation. The increase in the provision due to passage of time is recognised as a financial expense. Changes in the provision balance during the financial year are recorded as an increase or decrease in operating expenses.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024**2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)****2.16 Capital and reserves**

Owners' capital is recorded according to the actual amounts contributed at the par value of the shares.

Share premium is the difference between the par value and the issue price of shares and the difference between the repurchase price and re-issuing price of treasury shares.

Undistributed earnings record the Company's results (profit or loss) after corporate income tax ("CIT") at the reporting date.

2.17 Appropriation of profit

The Company's dividends are recognised as a liability in the Company's financial statements in the year in which the dividends are approved by the Company's General Meeting of Shareholders.

Net profit after CIT could be distributed to shareholders after approval at a General Meeting of Shareholders, and after appropriation to other funds in accordance with the Company's charter and Vietnamese regulations.

The Company's funds are as below:

(a) Investment and development fund

The investment and development fund is appropriated from profit after CIT of the Company and approved by shareholders in the General Meeting of Shareholders. This fund is used for investing and expanding business activities.

(b) Bonus and welfare fund

The bonus and welfare fund is appropriated from the Company's profit after CIT and subject to shareholders' approval at the General Meeting of Shareholders. This fund is presented as a liability on the balance sheet and is used for welfare activities of the Company's employees.

2.18 Revenue recognition**(a) Revenue from rendering of services**

Revenue from rendering of services is recognised in the income statement when the services are rendered, by reference to completion of the specific transaction assessed on the basis of the actual service provided as a proportion of the total services to be provided. Revenue from the rendering of services is only recognised when all four (4) of the following conditions are satisfied:

- The amount of revenue can be measured reliably;
- It is probable that the economic benefits associated with the transaction will flow to the Company;
- The percentage of completion of the transaction at the balance sheet date can be measured reliably; and
- The costs incurred for the transaction and the costs to complete the transaction can be measured reliably.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.18 Revenue recognition (continued)

(b) Interest income

Interest income is recognised in the income statement on the basis of the actual time and interest rates for each period when both (2) of the following conditions are satisfied:

- It is probable that economic benefits associated with the transaction will flow to the Company; and
- Income can be measured reliably.

2.19 Cost of services rendered

Cost of services rendered are the costs of services rendered during the year and recorded on the basis of matching with revenue and on a prudent basis.

2.20 Financial expenses

Financial expenses are expenses incurred in the year for financial activities including expenses and losses relating to provision for diminution in value of investments in other entities.

2.21 Selling expenses

Selling expenses represent expenses that are incurred in the process of providing services.

2.22 General and administration expenses

General and administration expenses represent expenses that are incurred for administrative purposes.

2.23 Current and deferred income tax

Income tax includes all income tax which is based on taxable profits. Income tax expense comprises current income tax expense and deferred income tax expense.

Current income tax is the amount of income tax payable or recoverable in respect of the current year taxable profits at the current year tax rates. Current and deferred income tax are recognised as an income or an expense and included in the profit or loss of the year, except to the extent that the income tax arises from a transaction or event which is recognised, in the same or a different year, directly in equity.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of occurrence affects neither the accounting nor the taxable profit or loss. Deferred income tax is determined at the tax rates that are expected to apply to the financial year when the asset is realised or the liability is settled, based on tax rates that have been enacted or substantively enacted by the balance sheet date.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024****2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)****2.23 Current and deferred income tax (continued)**

Deferred income tax assets are recognised to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilised.

2.24 Related parties

Enterprises and individuals that directly, or indirectly through one or more intermediaries, control, or are controlled by, or are under common control with the Company, including holding companies, subsidiaries and fellow subsidiaries are related parties of the Company. Associates and individuals owning, directly or indirectly, an interest in the voting power of the Company that gives them significant influence over the Company, key management personnel, including the Board of Directors, the Board of Supervision and the Board of Management of the Company and close members of the family of these individuals and companies associated with these individuals also constitute related parties.

In considering its relationships with each related party, the Company considers the substance of the relationship not merely the legal form.

2.25 Segment reporting

A segment is a component which can be separated by the Company engaged in rendering of services ("business segment") or rendering of services within a particular economic environment ("geographical segment"). Each segment is subject to risks and returns that are different from those of other segments. The Board of Management of the Company has determined that the business's risk and profitability are primarily influenced by differences in the types of services the Company provides. As a result, the primary segment reporting of the Company is presented in respect of the Company's business segments.

2.26 Critical accounting estimates

The preparation of financial statements in accordance with Vietnamese Accounting Standards, the Vietnamese Corporate Accounting System and applicable regulations on the preparation and presentation of financial statements requires the Board of Management to make estimates and assumptions that affect the reported amounts of assets, liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the financial year.

The areas involving significant estimates and assumptions are as follows:

- Provision for investments in other entities (Note 2.8(b));
- Estimated useful lives of fixed assets (Note 2.10); and
- CIT expenses (Note 2.23).

Such estimates and assumptions are continually evaluated. They are based on historical experiences and other factors, including expectations of future events that may have a financial impact on the Company and that are assessed by the Board of Management to be reasonable under the circumstances.
